Celebrating our unity and diversity

On August 20th, we enjoyed a special worship service, with guest speaker Rick Overturf from the church in Triangle, NC, who brought us a challenging lesson on "What is Your Real Identity?" We followed that wonderful (and multi-lingual) time of music, scripture, prayer and fellowship by sharing a luncheon of foods from around the world. Everyone there was nourished in body, mind, heart and soul; here are some glimpses of that memorable day—

Adonai, Adonai
Toda creación se postrará
Adonai, Adonai
Solo a ti Señor te clamarán
Adonai

With thanks to Peter Berry, Mark Vogt & Cory Morgan for help with pictures!

Some of the desserts even offered greetings in various languages :)

With thanks to everyone who came, brought guests, provided food, or participated in the worship service!

A great start for any day!

The sisters in the Hayes family group met on September 2nd, as they generally do once a month, to share breakfast together, encourage one another, and build stronger and closer relationships. Thank you, Fredria and Andrea, for sharing pictures and information!

A new life begins!

On Saturday, October 1st, our new brother Logan Kirberger was baptized into Christ at the Emmetts' home! The brothers who had studied with him shared how Logan's journey to faith had encouraged them, and he in turn was encouraged by the love and support poured out that afternoon! Here are some glimpses of that warm fellowship—

Please remember to pray for Logan as he continues to "grow in the grace and knowledge of our Lord and Savior Jesus Christ" (2 Peter 3:18a), and look for opportunities to get to know him (and anyone else you see that you don't know yet) so that our fellowship will thrive as we strengthen one another!

With thanks to Danny Emmett for these pictures!

Beauty everywhere we look!

Sometimes in the course of everyday routines we overlook the amazing beauty God creates all around us, beauty He changes from season to season and sometimes from day to day. Here are a few pictures captured recently that can help us see His creativity, power, and generosity, in giving us so many colors and shapes and natural wonders just for our enjoyment!

"For You, O Yahweh, have made me glad by what You have done, I will sing for joy at the works of Your hands." (Psalm 92:4)

We welcome news and pictures on interesting personal stories, family group activities, and more. Please send them to Nancy Berry, nberry2@gmail.com. Thank you!
